

II. Program Participation Guardian Consent Form

For Guardians

As a guardian, I understand that artsparks and the library will take reasonable precautions with when it comes to all of our activities and we will do our best to make sure that we have a safe place for everyone to do our program in, but our programs may still contain some hazards that could cause someone to get hurt, die, or break something at the library. I freely consent to all of these risks and fully take responsibility for the possibility of injury, death, property damage or loss that happens because of this artsparks program, no matter how it was caused, with the only exception being negligence (not doing all we can to make sure that people are safe) or willful misconduct (breaking the rules on purpose) of the respective directors, officers, employees, agents, coaches, volunteers, teachers or leaders of artsparks at Red Deer Public Library.
